- 1) \*Indicates that the charter school serves students from more than one school district and has been listed under the school district in which it is physically located.
- 2) N/A in District Type indicates either a cyber school or a charter school that serves students in more than one district and the districts have different district type code.
- 3) Charter schools with noted with a dash "--" instead of a proficiency percentage, are those where too few students took the exam to report scores.
