Bars to the right of 1.1 show overrepresentation, meaning the uninsured rates are higher than expected based on the proportion of this race within the county's child population. Bars to the left of 1.0 indicate underrepresentation, meaning the uninsured rates are lower than expected. An index of 1.0 indicates no disproportionality.

The index is based on American Community Survey 5-year estimates (2016-2020).

* No child population of this race exists in the county.
