

## Children (under age 21) living in the county 6,720

\% of all children (under age 19) in the county do not have health insurance

\% of children without health insurance by age under age 6

6-18 years

Children more likely to be uninsured by race/ethnicity

Bars to the right of 1.1 show overrepresentation, meaning the uninsured rates are higher than expected based on the proportion of this race within the county's child population. An index of 1.0 indicates no disproportionality. Bars to the left of 1.0 indicate underrepresentation, meaning the uninsured rates are lower than expected.
The index is based on American Community Survey 5-year estimates (2017-2021).

* No child population of this race exists in the county.
