

2024 State of Children's Health COUNTIES BY THE NUMBERS

Bucks County

Urban

Children (under age 21) living in the county

147,789

% of all children (under age 19) in the county without health insurance

% of children without health insurance by age

Children more likely to be uninsured by race/ethnicity

Bars to the right of 1.1 show overrepresentation, meaning the uninsured rates are higher than expected based on the proportion of this race within the county's child population. An index of 1.0 indicates no disproportionality. Bars to the left of 1.0 indicate underrepresentation, meaning the uninsured rates are lower than expected.

The index is based on American Community Survey 5-year estimates (2018-2022).

* No child population of this race exists in the county.

Sources of coverage

% of county children financially eligible for Medicaid but are *uninsured*
